

Town of Francestown
PUBLIC NOTICE

The Supervisors of the Checklist will meet Tuesday, May 3, 2016 at 6 PM for a 'thirty-day letter' work session. Several voters were sent letters in early April, in accordance with RSA 654:44, notifying them that their name will be removed from the voter checklist unless the voter either gives proof that they are currently domiciled at the same address. The voter can also remain on the checklist by giving proof of the domicile to the Town Clerk/Deputy TC's office or by appearing at the May 3 session. You also may prove your domicile address by providing a photocopy of your driver's license, vehicle registration or utility bill bearing your name and address. If none of these documents are available to provide such identity, a domicile affidavit needs to be completed. If you have any further questions, do not hesitate to call BJ Carbee, Supervisor of the Checklist at 464-9218.
